IMPORTANT NOTICE

Due to the impact of coronavirus to our Water District 19 customers, the Board of Commissioners has suspended late fees, shut offs and placing liens until the end of September 2020. This suspension however does not relieve customers from the obligation to pay for their utility service. Office staff are ready to assist you should you wish to set up payment arrangements.

Governor Inslee has issued Proclamation 20-23, pertaining to Utility Ratepayer Assistance and Preservation of Essential Services. Water District 19 is committed to keeping our customers connected to essential service during the COVID-19 pandemic emergency. If you are experiencing hardship as a result of the COVID-19 pandemic, you may be eligible for support, including long-term payment arrangements or bill assistance.

For bill assistance information, please contact the Utilities and Transportation Commission Consumer Hotline: 1-800-333-WUTC (9882) or consumer@utc.wa.gov

The Vashon Food Bank also has available a \$25.00 voucher for Water District 19 customers to apply against any current water statement. Their number is: 206-463-6332 or contact them via their website at: VashonFoodBank.org
