IMPORTANT NOTICE

Governor Inslee's Proclamation suspending all late fees and water shut offs will expire on September 30, 2021. At the August 10th, 2021 board meeting, The Board of Commissioners voted to re-instate late fees and shut offs beginning November 1, 2021. The district encourages all customers who are unable to pay for your water service to contact us to set up a 12-month payment plan.

Under a payment plan, late fees would not accrue, and water service would not be disconnected. Customers who sign up for a payment plan would not have a lien placed on their property for 180 days. Customers who already have liens placed on their property and choose not to sign up for a payment plan would now be subject to water shut-off.

There are also programs and financial resources available to help with unpaid water bills and prevent disconnections. Vashon Youth and Family Services can be reached at 206 463-5511 and The Interfaith Council to Prevent Homelessness can be reached at 206 643-5169. Dial 211 to reach Washington State Utility Assistance.

We are here to help.

Sincerely,

Water District 19
