

Seeking Water System Operator

Competitive wages, great benefits, training available:

Water District 19 is seeking a self-motivated and enthusiastic individual to join our team of water treatment and distribution professionals. We offer the training and mentorship needed to succeed as a water system operator.

About Water District 19:

Established in 1925, Water District 19 is the largest of the Group A water systems serving Vashon-Maury Island. We pump, treat, and deliver water from deep wells and surface water sources to nearly 1,500 water service connections.

The Position:

The job requires that operators reside on-island, have ability to provide on-call duties, can work independently as well as part of a team, and possess a willingness to learn new skills. The work can be physically demanding and is often performed outdoors in various weather conditions. Though experience in water system operation, maintenance, repair and/or heavy equipment operation is preferred, the District will provide the training and education required to obtain Water Distribution Manager 2, Water Treatment Plant Operator 2, and Cross-connection Specialist Certification. Starting wages dependent on skills and experience:

- Operator in Training – \$25 to \$29/hr
- WDM 1/WTPO 1 – \$36/hr to \$38/hr
- WDM 2/WTPO 2 – \$42/hr to \$45/hr

Benefits:

- Health care available Washington Healthcare Authority (PEBB)
- Training and education opportunities
- 11 paid holidays
- Accrued vacation and sick leave
- State of Washington PERS retirement plan
- \$400/yr annual clothing allowance

How to apply:

Send/deliver cover letter, resume and application (available at <http://www.water19.com/staff/>) to:

Water District 19
Attn: General Manager
PO Box T
17630 100th Ave SW
Vashon, WA 98070
