## Important Notice

To our valued Water District 19 customers,

### **WATER DISTRICT 19 NEW RATES**

To our valued Water District 19 customers,

This letter is to let you know that the District's water rates will be increasing effective April 1, 2026. At the February 10<sup>th</sup> Meeting, the Board approved a 7% increase in base (fixed) rates and 10% usage rate increase for all customers.

The increase is necessary to keep pace with increasing costs, and to fund loan payments for the District's 216<sup>th</sup> and Monument Road Main replacement.

The new rates will be posted on the District's website: <http://www.water19.com>. If you do not have access to the internet, a copy of the new rate structure can be mailed to you. If you have questions about the rate change or would like to learn more about the discount vouchers available for low-income customers, please contact our office at (206) 463-9007.

Sincerely,

Water District 19
